SUMMER CAMP 2017

WELCOME TO CAMP!

The Y's groundbreaking camp programs emphasize fun while helping kids ages 6-15 close the achievement gap. In our program, we also teach values and wellness, while reducing stress on busy families. It's a winning formula that gives kids the wrap-around support and mentoring they need to thrive, all summer long!

We offer camp Monday-Friday starting May 29 and ending on August 4. No camp on 7/4. Not all field trips are listed. **DAILY SWIMMING!** Welcome to camp! We can't wait for the **BEST Summer ever!**
