

CREATING LASTING CHANGE TODAY AND IN THE FUTURE

DR. P. PHILLIPS CHAMPION OF YOUTH

The Dr. P. Phillips Champion of Youth Award is presented to an individual or organization who demonstrates an unyielding commitment to improving the lives of children in Central Florida.

2011 AWARD RECIPIENT LEONARD WILLIAMS WAYNE DENSCH CHARITIES

Leonard Williams, Sr. is our Champion of Youth. Each year, he supports a wide range of charitable programs and organizations like the YMCA dedicated to education, youth, community service, health and the arts. He has consistently supported the YMCA in our efforts to create a safe place for kids and families in underserved communities like Pine Hills at the Wayne Densch YMCA, and many others. And the Williams Family provided a major gift for the renovation of the J. Douglas Williams YMCA in Seminole County, now renamed in honor of his son.

For decades, he has given to community organizations focused on youth, providing them with opportunities to grow and become leaders. His generosity and vision for our community aligns greatly with the YMCA and its cause of strengthening communities.

Leonard Williams, the YMCA honors you for your commitment to kids, families and our great community. Thank you for helping the Y nurture the potential of our youth and move our community forward.
