## Tuition Rate Information Effective August 12, 2018

Dear Parents/Guardians:

As part of our annual evaluation of rates, expenses, and the local market, there will be a modest rate increase for The Learning Centers Operated by the Central Florida YMCA beginning August 12, 2018. The YMCA continues to maintain tuition rates that are competitive with local-market rates for comparable, high quality early child care and education.

The tuition increase will apply to primary care age groups. The discount for families with more than one child in the center still applies. The increase does not affect the scholarship rate for those Cast Members who receive the Learning Center Scholarship, nor does it change the Back-up Care rate. The VPK children who are eligible for the discount will continue to receive a 10% discount throughout the nine month VPK school year.

As a reminder, if you are currently using payroll deduction, you will need to complete a new form indicating your rate change (located at front desk) and submit it to the centers **no later than July 27<sup>th</sup>**.

The new tuition rate information is included in the chart below for your reference. If you have any questions please contact a member of the management team for additional information.

Thank you for choosing our services and for your continued support of our Learning Centers.

Sincerely,

Nicci Bucher, MSW  
 District Vice President  
 YMCA of Central Florida
