

BEST SUMMER EVER

Family Center Camp

Discovering new hobbies, forming friendships and making memories—that's what summer camp at the YMCA is all about. Each week of camp offers different specialties, packed with activities, games, music, trips, water fun and so much more. Campers swim daily, and to ensure their safety, each camper will be swim tested before they are permitted to enter the pool.

Locations:

Dr. P. Phillips YMCA | Osceola YMCA

Elementary School Camp

All the fun of summer vacation—without the summer learning loss. Our programs offer an interactive curriculum including reading, values and health and wellness, in combination with field trips, indoor/outdoor games, nature activities, and arts and crafts. Although there is no camp at OCPs sites during the weeks of July 3 and August 7, there is an option to attend camp at a YMCA Family Center those weeks.

Locations:

Clay Springs Elementary | Imagine South Lake | Sunset Park Elementary | West Creek Elementary

Aquatic Camp

This summer, make a splash—and new friends. Our aquatics program fully engages campers in an environment that encourages active learning. For kids entering first grade through sixth grade who have an interest in developing aquatic skills in a fun, active environment.

Locations:

Dr. P. Phillips YMCA

Sports Camp

Improve your passes, kicks or throws with a variety of sports to choose from. Campers can improve their sports skills through teamwork and friendly competition. For kids entering first grade through sixth grade looking to play sports in a non-competitive environment.

Locations:

Dr. P. Phillips YMCA | Osceola YMCA

Specialty Camps

Most of the day will be spent in your camper's specialty focus. For the rest of the day, all campers will experience a daily dose of fun, enriching traditional camp activities such as arts and crafts, swimming, sports, and each specialty camper will go on a field trip. (Some exceptions will apply.)
