

## AND THE PURSUIT OF BIGGER DREAMS & BETTER LIVES

We are all striving for something. Young and old. Rich and poor. Healthy and getting healthier. We are all trying to be better tomorrow than we are today. For so many people in our community, the Y makes that pursuit possible. From the student working towards the first college degree in his family to the single mom who relies on the Y for safe and affordable childcare to the senior citizen trying to stay active on a fixed income.

**THE Y HELPS PEOPLE PURSUE WHAT MATTERS MOST IN LIFE. YOUR GENEROSITY HELPS MAKE THE PURSUIT POSSIBLE FOR EVERYONE.**
